30 Ways to make Money on the Weekend

30 Ways to make Money on the Weekend

Description:

28.5% of your earning potential is not being used. That is the amount of time lost every week on the weekends. Imagine increasing your current income by that amount while doing something you enjoy and might be doing for free. That is what this book is all about. You can make money, have fun and maybe find that special service or product that will help you fulfill all your dreams. It happens everyday to someone. Why not you?
